

SAMPLE - ILLUSTRATIVE ONLY

CARAPACE / CORTEX

ORDER FORM & STATEMENT OF WORK

A client-facing activation document for a Cortex license, a Strategy & Support Retainer, a Discovery Sprint, optional modules, or project-specific work.

HOW TO USE THIS SAMPLE

Replace every blue italic entry with final client-specific information before sending. This sample is not an offer, does not activate services, and must not be signed as shown. A completed Order Form becomes effective only when signed by authorized representatives of both parties and any stated upfront fees are paid.

6. Statement of Work / Scope Notes

Use this section to identify approved work, client dependencies, exclusions, milestones, and acceptance criteria. This sample shows a realistic starting scope for a standard commercial deployment.

DELIVERABLE / ACTIVITY	OWNER	TARGET / MILESTONE	ACCEPTANCE / NOTES
<i>Commercial environment activation and initial license configuration</i>	<i>Carapace</i>	<i>After onboarding</i>	<i>Sample only; timing depends on Client access and approvals.</i>
<i>Confirm account administrator, approved users, and support channel</i>	<i>Client + Carapace</i>	<i>Onboarding</i>	<i>Required before support workflows begin.</i>
<i>Support retainer activation: up to 10 hours/month and one scope-bounded agent update/month</i>	<i>Carapace</i>	<i>Ongoing</i>	<i>Subject to Retainer Terms; unused hours do not roll over.</i>
<i>Quarterly architecture review</i>	<i>Carapace + Client</i>	<i>Quarterly</i>	<i>Review operator usage, workflows, governance, and roadmap.</i>
<i>Client-specific integrations or development</i>	<i>As stated in a separate SOW</i>	<i>TBD</i>	<i>Excluded unless expressly quoted and approved.</i>

Client responsibilities and dependencies

- Provide timely access to Client-controlled systems, relevant accounts, sandbox environments, and authorized personnel as necessary for the selected scope.
- Maintain all rights, permissions, subscriptions, API access, and third-party approvals necessary for Client Data and connected services.
- Identify an account administrator and authorized approver for configuration changes, workflows, and production use.
- Review proposed outputs and automations before commercial reliance, and comply with applicable law and third-party terms.

Express exclusions unless separately quoted

- Custom SaaS development, major new software features, enterprise certification, substantial data migration, or on-site services.
- Third-party model usage, API fees, cloud infrastructure, storage, subscriptions, pass-through expenses, and external provider charges.
- Legal, financial, medical, security-audit, or other regulated professional advice.

7. Term, Renewal, and Service Relationship

Start date	DATE OF LAST SIGNATURE OR OTHER DATE STATED HERE - SAMPLE
Initial term	MONTH-TO-MONTH - SAMPLE
Renewal	AUTOMATIC MONTH-TO-MONTH UNLESS TERMINATED UNDER THE COMMERCIAL LICENSE AGREEMENT - SAMPLE
Termination notice	30 DAYS WRITTEN NOTICE, UNLESS THIS ORDER FORM STATES OTHERWISE.
Retainer dependency	The Strategy & Support Retainer is valid only while Client maintains an active, paid Cortex Commercial License.

8. Important Commercial Conditions

- This Order Form does not grant any rights beyond the selected services and the incorporated agreements. Any additional scope, pricing, Active Operators, integrations, or project work requires written authorization.
- A Discovery & Integration Sprint, if selected, is a defined pilot. It does not automatically activate recurring commercial services, platform access, long-term hosting, or an ongoing support retainer.
- The Strategy & Support Retainer is non-standalone. It may be purchased and used only with an active, paid Cortex Commercial License.
- Carapace may reasonably require updated billing authorization or an amended Order Form before activating paid add-ons or services outside scope.
- Client is responsible for applicable taxes other than taxes based on Carapace net income. Service activation is subject to last signature, payment arrangements, and completion of required onboarding items.

9. Incorporated Agreements and Order of Control

This Order Form incorporates the documents identified below to the extent applicable to the services selected. Client acknowledges that it has had an opportunity to review each incorporated document before signing.

APPLIES	DOCUMENT	HOW IT APPLIES
☒	Cortex Commercial License Agreement	Governs commercial platform use, legal terms, payment, security, liability, indemnity, attorneys' fees, Florida law, and venue.
☒	Carapace Strategy & Support Retainer Terms	Applies only because the sample selects an active paid Retainer with a Commercial License.
☐	Cortex Discovery & Integration Sprint Agreement	Applies only if the Sprint is selected in Section 2.
☐	Mutual NDA and Client Data Segregation Agreement	Applies if separately signed or expressly attached.
☐	Security Exhibit / Data Processing Addendum	Applies only if attached and identified below.
☐	Additional Statement of Work or Exhibit	Attach and identify any bespoke scope, pricing, milestones, or special terms.

Order of control

If there is a conflict, the following order controls: (1) a signed Order Form or Statement of Work; (2) any attached Data Processing Addendum or Security Exhibit; (3) the Cortex Commercial License Agreement; (4) the Strategy & Support Retainer Terms; and (5) online documentation. A more specific signed document controls only for the specific subject it addresses.
